

No Rudders were available for women in 1972 and early 1973.

Not all female companies had company photos taken.

Earliest Rudder on record is:

C 3445 - 1973 November 16 - 25 January 1974

Sr CC: RMCM J L Kassahn (F) and

CC: TD2 Meri Ann Brooks (F).

Any information within this digital Rudder is from research and or any photos and information provided by the women in this company.

NAVAL TRAINING CENTER

19 Orlando Florida 72

to my partner in crime, that's you!

What can I say except that I am so honored to have you as my friend! Our laughter & tears & crazy antics will continually ring in my ears. Hey, remember the night we went to find Eric & David after Disney World & they couldn't get out? And those "Batt 10" guys were following us around & we were trying to brush 'em off? (aka) What a night that was! We were both miserable!

Well, I will close this chapter now, wishing you many years of genuine love. Love can rebuild the mountains that have been destroyed - but it has to be put back rock by rock and nurtured with faith & trust.

God bless you forever, partner!

Love ever,
Ann Phillips

I had a really sweet girl in my class in San Diego. Her name was Diana. I was in the same class as her. We were really close. I was in the same class as her. We were really close. I was in the same class as her. We were really close.

Keep you always & always

God Bless & Always

Diana,
Remember our great moments we got here could we forget.
Diana

Diana,
Don't forget me, for I am the only turtle you will ever meet. See ya in Diego.
